Dear Prof. Yara,

Good day!

I would like to sincerely apologize for not having an updated/paid balance on my student portal, which I understand is a requirement for my Final Defense.

I would like to explain that this is due to my CHED Tertiary Education Subsidy (TDP), which has not yet been forwarded to my current balance. It is still reflected under my "Total Previous Balance/Excess" even though it has already been approved. I have already requested for this to be forwarded and credited to my current balance, but unfortunately, it still did not reflect on my portal.

I brought this matter to the Student Affairs Office (SAO), and I was advised to file another request for the TDP to be forwarded and properly reflected on my account.

I sincerely apologize for this inconvenience and delay, as this matter is beyond my control, and I am doing my best to resolve it as soon as possible. I am hoping for your kind consideration and understanding regarding this matter, given that I am currently working on having this settled before my Final Defense.

Thank you very much for your understanding, and I look forward to your favorable response.

Respectfully yours,

Julie Rose E. Farase
